

Weekly - RESORT REPORT

HELP!

Here at The Glades we want to do everything possible to keep the rental rates low and competitive. To do this we need to enlist the help of everyone in the park. Working together to keep expenses low is one of the best ways to keep costs down that would otherwise be passed on by way of increased rates. The basic rules of turning off lights, closing doors, picking up after yourself, and reporting problems are great ways of holding down expenses.

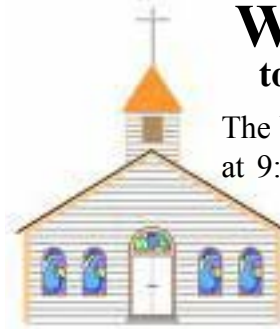

This year we are experiencing an unusual problem that is really driving expenses up. Somehow dish towels, hand towels, and wash rags are ending up in the sewer. Three times these have been caught in a lift-station pump and caused damage. Although there are screens and baskets in place to trap such things, sometimes these items slip through. Each time we must replace a pump it costs around \$1,500 for parts and labor. As you can see this is a very great expense for someone carelessly allowing such items to enter the sewer system.

No manufactured objects should enter the sewer system except toilet paper. Paper towels, feminine products, dish towels, hand towels, wash cloths, etc., should be discarded in the trash. We would really appreciate your help with this matter.

The Glades Resort

Worship Services to continue through April

The Worship Services which are held at 9:00 each Sunday morning in the Club will continue through the month of April as long as there are those who wish to attend.

Bro. Jackie Miller of the First Christian Church of Clewiston, Florida will be providing the preaching continuing the series on The Ten Commandments. Special Music will be provided by residents of the park.

ATTENTION RESIDENTS

Please do not dispose of yard clippings, leaves, etc. in the large dumpsters. Yard debris may be bagged and set outside the dumpsters. Maintenance staff will collect these daily and dispose of them. Thank you for keeping your site nice and neat! It is still appropriate to gather your yard debris and place it at the front of your lot. Workers will come along during the day and gather the debris. The notice last week was to those who are raking their debris, placing it in trash bags and disposing of them in the dumpsters. Thanks for your continued assistance.

LIBRARY BOOK RETURNS

The Glades Resort Library has become a frequented resource of our guests. A new basket has been placed in the Library for book returns and book donations. This will assist in keeping our Library organized and ready for use. Thank You!

Bal-Gas Delivery Day Change

The Bal-Gas will be changing their delivery day to Mondays beginning, Monday, March 29th. Beginning in April their propane delivery days will be on every other Monday.

6 on 6 off and Annual Residents

One of the advantages of reserving an RV site for six months or more is the fact that you are guaranteed your available site of choice. Also, you may feel free to leave requests and/or instructions in the office for repairs, tree trimming or planting, etc. We will do our best to accommodate each site this summer in your absence so that when you return everything will be ready.

NEW GAME IN TOWN!!!

Hey Everybody! There's a new game in town called "LEFT, RIGHT, CENTER". It is reported to be a LOT of FUN!!! LRC is a fast-paced dice game that is fun for all ages and large or small groups. LRC played with dimes (3 per game) so bring plenty as it's addictive!

Game time is Wednesdays at 7:00 p.m. at the Club House.

RODEO & RETREAT ACTIVITIES

If you would like to go horseback riding or trail riding you may now schedule a time with the office. A horse may be rented for \$20 per hour to the public or \$10 per hour to Resort residents and their guests. There will be a trail ride on Wednesdays and Saturdays this month at 11:00 am. Several who ride asked if we could change it to Wednesday instead of Thursday. There must be at least five to six riding at the same time for a guided trail ride. The first six people to sign up for these will be able to ride. Two rides can be done back-to-back if riders are willing to wait for the first group. There will also be another FREE Riding Class on April 10th at 1:00pm. Class and Rides will be cancelled for rain or temperatures below 50 degrees.

IMPORTANT STORAGE INFORMATION

This year we will be restructuring our storage areas. The storage area near the Exercise Room will be eliminated. There will also be no storage in the Clubhouse Parking Lot. All storage will be confined to the storage area west of the canal near the Maintenance Building. There is a nice smooth lot and in the future there will be a fence around the lot.

If you have anything in the storage area by the Exercise Room or in the Clubhouse Parking Lot, it will need to be moved before you leave or no later than May 1st.

Everything left in storage will cost \$2.00 per foot per month. This means if you have a trailer that is 20 feet long, it will cost \$40.00 per month to store it. Anything left in storage must have a tag that shows it is registered in the Resort Office.

Anything that is not moved and tagged by May 1st will be moved by maintenance staff and the process of obtaining title will begin. Please help us identify your equipment and get it moved to the proper place.

Those who have an annual lot rental are still allowed to store rigs, boats, sheds, etc., on their site. Please contact the office for questions and concerns. Thank you for your help.

FUN AT THE GLADES
