Annual Site Requirements

We so appreciate those of you who are settlin' in and making The Glades "your home away from home". If your rig will be left on site for an extended period of time during your absence the following items should be on file with Dora at The Office:

1. Proof of Insurance
2. Title or registration
3. Driver's License
4. Key to Rig

This is to insure the safety and well-being of your rig during your absence. Please direct any questions or concerns regarding this policy to Dora. It is also strongly suggested, but not required that your rig be "tied-down".

Thanks!
